The investment company notifies investors that the investment value in the fund may decline as well as increase and return of originally invested amount is not guaranteed. The performance of the fund in previous periods does not guarantee equal or better performance in the future. Investing in the fund is intended to achieve revenue in the medium and long-term periods and is therefore not suitable for short-term speculation. Potential investors should particularly consider the specific risks that may result from the investment objectives of the fund, as described in its statutes. Investment objectives are reflected in the recommended investment horizon, as well as the fees and expenses of the fund.
